REPLY OF WILLIAM KUNTZ, III TO CLAIMS OBJECTION

Respondent, William Kuntz, III, who appears here *Pro Se* filed a reply to the Prior Claims Objection of the Debtor. <docket 7364> At the Time the Court entertained the Motion Of the Debtor, Respondent and the Debtor entered into a Stipulation in Open Court With regards to Respondent's Claims. While the Transcript is not yet available on line the terms of the Stipulation are evidenced by Respondent's Handwritten Notations upon a time-stamped <but undocketed> copy of a paper filed with regards to the Creditor's Committee Ex 1 which were provided to Debtor's Counsel prior to the making of the Stipulation. Recently, another objection came in the mail, as attached Ex 2. As the Court may recall, Respondent was admonished for stating that he didn't care to be blindsided again by Weil, Gotshal making Claims Objections, but this is just what might have happened despite the Stipulation.

Respondent contacted Weil, Gotshal and as of this Morning nothing constructive has resulted and accordingly, this Reply is submitted.

Respectfully,

William Kuntz, III India St PO Box 1801 Nantucket Island, Ma 02554-1801

FURTHER OBSERVATIONS BY WILLIAM KUNTZ, III ON LATE CLAIMS

I see a 4 page Document <Docket 7544> filed by the Creditors Committee joining the Debtor's 54 page Objection <Docket 7499> as to Late Claims. As I have stated before, I think the Cure for all this foolish waste of time and effort is to reset the Bar Date. I have Stated that I am little concerned with the Dilution by late Claims. These Matters appear to represent 1/1600th of the Total Claims filed to date.

I submit the following for the Court's Consideration.

"The way I see it, justice delayed is that many more billable hours."

as i recall, your honor made a passing comment the last time i was in court that this case was not about me. i thought about that comment for a while and in fact this case is about me and the thousands of others who's retirement, finances and lives have been needlessly disrupted by the reckless greed of Lehman prior to filing Bankruptcy.-

the debtor is again before the court under the so called business judgement standard. however, it must be recognized that the Debtor is not operating on all 8 cylinders so to speak, the stockholders have been all but shoved aside and the normal oversight of a corporation has been removed and replaced by a cadre of fee hungry lawyers and para-professionals who so far have racked up north of 1/2 billion in fee's so far with no end in sight.

-
the time is now for the Debtor to move forward with confirmation and implementation of it's plan. if the plan cannot be confirmed, then others may wish to propose something else, otherwise, liquidation is in order, not a decade long episode of the lawyers full employment act
